FINANCE DEPARTMENT.

G.O.Ms.No.900 Dated 18th November 1947.

Read the following:-

G.O.No.(Ms)873, Home, dated 5-3-1947.
From the Inspector General of Prisons, No.A1/458/47, dated 21-3-1947.
-do- -do- No.A1/110/47, dated 6-6-1947.
From the Accountant General, No.T.12 Jails 1779, dated 15-10-1947.

ORDER:

In paragraph 4 of G.O.Ms.No.873, Home, dated 5th March 1947, the Government directed that pending the creation of a new budget head, the expenditure relating to the Chief Inspector of Certified Schools be debited to the head "28.a.Jails and Conviet Settlements". In consultation with the Accountant General, Madras, the Government now direct that the expenditure relating to the Inspector General of Prisons and the Chief Inspector of Certified Schools hitherto recorded under the Major head "28.Jails and Conviet Settlements", be reclassified as shown in Annexure I to these proceedings.

2. The Government also direct that the receipts pertaining to the Jail Department and to certified schools be credited separately under the head "XXII. Jails and Conviet Settlements" as shown in Annexure II to these proceedings.

3. The Inspector General of Prisons will continue to be the estimating and chief controlling authority for the Major heads "28/XXII Jails and Conviet Settlements", whilst the Chief Inspector of Certified Schools will be the subordinate controlling and estimating authority in respect of certified schools.

4. The Inspector General of Prisons has raised the question whether, the cost of supplies made by the Jail Department to certified schools should be taken as receipts of the Jail Department. As the transactions relating to the certified schools continue to be classifiable under "Jails and Conviet Settlements", the cost of supplies made by the Jail Department to the certified schools should be treated as inter-Jail Supplies and shown as a direct charge under certified schools vide foot-note No.65 in Appendix to the Madras Budget Manual.

5. These classification ordered in paras.1 and 2 above will take effect from 1-4-1947. The Inspector General of Prisons who has prepared the R.E. for 1947-8 and the B.E. for 1948-49 under "XXII/28 Jails and Conviet Settlements" according to the existing classification, is requested to intimate immediately the alterations that should be made in them with reference to the reclassification now ordered.

6. The appropriations under the grant "Jails" will have to be re-allotted among the new sub-heads now

sanctioned. The Inspector General of Prisons is requested to send the necessary reappropriation statements for the sanction of the Government.
